### *Directions to the Nursery*

#### **Priests Road, Deception Bay**

Take the Bruce Highway to the Deception Bay road exit. This is the next exit after the Boundary Rd / Deception Bay exit if travelling north. Turn right after exiting from the highway and cross over the highway. Proceed along Deception Bay Road. Priests Road is on your left, almost one kilometer from the highway. The nursery is at the corner of Priests Rd and Emberside St. If you are travelling south, the exit from the highway is this first after the Burpengary Weighbridge. (Turn left onto Deception Bay Road).

Some new release plants may be smaller than previous listed plants and we may reserve the right to limit the number of plants per customer. In order to maintain the highest possible quality and reliability we purchase plants only from laboratories practicing sound tissue culture techniques. This listing includes many imported plants and a selection from Aranbeem Orchids and Australian hybridizers. All species orchids are produced by artificial propagation.

### **ORCHID GROWERS GROUP**

We hold an Orchid Growers Group at the nursery on the first Saturday afternoon of the month each month of the year except January. Anyone interested in learning about, and how to grow orchids is welcome to attend. This group is run with the assistance of several of the local orchid societies. It is a great opportunity to learn more about orchid growing, meet local growers, and find out what is happening around the local orchid societies. Growers young or old, new or experienced are most welcome.

When                    1.30 to 4pm first Saturday of each month (except January)

Where                At rear of nursery. Use entrance via side street (Emberside St.)  
Plenty of parking available there.

What to bring      A chair (to sit on), a plate (for afternoon tea), and a hat.

Cost                 FREE
